

IDEA Transportation FAQ

Q: How will me or my children identify their assigned bus?

A: Each bus will feature a different colored animal on the side. We will provide a picture of these colorful animals, so all scholars can identify their bus.

Q: How will my child know what bus to get on after school?

A: Prior to dismissal, bus riders will be given wristbands for their assigned bus. Homeroom teachers will be tracking how each child will be dismissed (bus rider, walker or pickup). The principal will also ensure each scholar goes to the appropriate dismissal area. Once the bus is full, our staff will make sure scholars are on their assigned bus.

Q: Who will my child be released to when getting off the bus in the afternoon?

A: When filling out the Transportation Registration, parents are required to provide us with the names of the persons they authorize to pick up their scholars. If you need to make changes to this list, please contact the campus transportation manager. Also, if a scholar is in 4th grade or older, they may walk home from the stop without supervision, if the parent indicated they are allowed to do so when filling out registration. Again, if changes are needed or you are unsure, please contact the campus transportation manager.

Valley View Campus Transportation Manager: Stephanie Huff (513) 692-6502

Price Hill Campus Transportation Manager: Alicia Ryan (513) 305-2998

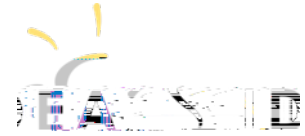

Q: What should we do if a bus is late to pick up/drop off?

A: During the first week of school there may be delays in our buses. Our transportation team will work to safely improve the speed and efficiency of the routes. As we expect to have things running smoothly in a time. However, if a bus is late to a stop, we ask for your patience. Please, wait for the bus to arrive. We guarantee a bus will get there to pick up or drop off your

scholar. If there ever is a concern, do not hesitate to call the campus or the campus transportation manager.

Q: How

A: It takes the Transportation department 48 hours to add a student to a route. Parents will be notified as soon as the scholar is assigned a bus and a bus stop. If you need to register for transportation, please contact the Campus Transportation Manager.
